

Gift tracking can be used to track the giving history for churches, Advance projects (including missionaries), districts and conferences. The results illustrate the gifts received for the intended projects through The Advance and does not suggest the funds has been disbursed to the project. This tool exist to serve as resource to determine if gifts were received by The Advance, who will then ensure it is disbursed to the project.

**Step 1:** Go to [www.umcmmission.org/gift-tracking](http://www.umcmmission.org/gift-tracking)
